February 5, 2018

Dear **Business Owner**,

Graduation for the Acton-Boxborough High School Class of 2018 is fast approaching—a time of celebration, high hopes and fond memories. Each year on graduation night, seniors are invited to an overnight event in the high school called **Project Graduation**. It's a tradition that began 28 years ago.

How the Tradition Began

In 1979, a small town in Maine experienced one especially tragic commencement season in which 18 teenagers died in alcohol and drug related incidents, 5 in one accident alone. In the wake of these tragedies, the community came together to offer the next year's seniors a safe, alternative event. They called it Project Graduation, and soon it became a model for the entire nation.

2018 Project Graduation Details

Project Graduation 2018 will be held on graduation night, Friday, June 1, from 10:00 p.m. to 5:00 a.m. While the theme is a well-kept secret, it's sure to include a variety of activities and entertainment such as a DJ, hypnotist, casino and basketball—and, of course, plenty of food and prizes! The event will be held throughout the entire AB high school and chaperoned by numerous adults and officers from the Acton police department.
